PTO Carnival

The PTO sponsored a Carnival Night on Friday, February 22, 2008 under the direction of Barbara Oknayan, Lillian Calukyan and Cal Kachigian. There were games, popcorn, pizza and cotton candy for the enjoyment of the approximately 100 people who attended the event. The atmosphere was exciting and a profit of over \$5,000 was realized thanks to generous donations from family and friends of the Manoogian School. We especially want to thank Lillian and Sevan Calukyan who donated the pizza in memory of their father Aret Hintiryan. Following is a list of donors of the event, we thank them for their support.

Third Grade American Biography Posters

Each third grade student read a biography on a famous American and completed a colorful poster on that person's life. Many students furthered their research skills through the Internet and various other sources. The goal for each student was to learn about the life and career of their famous person and what contributions they made to society, America, and even the world.

Ladies' Lenten Luncheon

The Ladies' Lenten Luncheon was held on Friday, February 29. Although a blizzard kept some of the ladies away, there were more than 70 in attendance. The students in first, second, and sixth grade danced and recited. The high school students served the food. There was a raffle at the end of the luncheon and a profit of almost \$1500 was realized.

We thank Mrs. Tamitza Dakissian and her sister Mrs. Silva Sagherian for all of their help in organizing and preparing the food for this annual event.

Muffins/Bagels

The elementary and pre-school students enjoyed "Muffins with Moms" on March 6 and "Bagels with Dads" on March 12. This annual event is one that both parents and students look forward to.

Winter Sports' Summary

The boys' and girls' basketball teams had moderate success this year. The girls' team finished the season with five wins and eight losses, while the boys' team finished with five wins and nine losses. This was the first season in a newly formed conference called the Charter School Conference (CSC), which consisted of eight teams, including Manoogian.

The boys' team was led by seniors Alec Kurjian, James Dodd, and Garo Demirdjian. Another major contributor was junior, Razmig Dawidian.

The girls' team was led by All-Conference candidate, Rubina Kurdian, in addition to Arev Tossounian, Rochelle Konja, and Melanie Shammamie.

*On March 14, Pre-K 3 and 4 attended the Musical *Velveteen Rabbit* at the Marquis Theatre in Northville, Michigan. The students, parents, and teachers had a wonderful time watching a fabulous cast present the classic tale of how toys become real!*

The 5th grade students made natural disaster dioramas about a tornado and a hurricane. This activity was correlated to their reading stories about storms, and the effects of them. They did an exquisite job on these dioramas and put great effort into them. They are on display in the media center.
