Manoogian Seniors Attending Lawrence Tech

A.G.B.U. Alex & Marie Manoogian School seniors Vatche Bassmagian, Avak Kahramanian, and Mihai Untea have been attending Lawrence Technological University for more than a month as part of a partnership program between the two schools.

Entitled **INSPIRE** (Inspiring and Nurturing Students – a Partnership for Innovative and Rewarding Education), the new program offers Manoogian seniors the opportunity to take courses at Lawrence Tech for college credit.

According to Bassmagian, he and his classmates began taking courses at Lawrence Tech during the first week of February and the three are pleased with their situation.

The partnership was made official January 25, during a signing ceremony at Manoogian School. The ceremony included comments from Dr. Charles Chambers, president of Lawrence Tech.

In attendance were Dr. Lewis Walker, executive vice-president and provost of Lawrence Tech, Manoogian administration, board members, PTO members, faculty and staff, as well as Lawrence Tech faculty and staff.

Third Big Fat Installment Getting Closer

Believe it or not, consistently warmer weather is just around the corner, so it must be time for the third edition of the A.G.B.U. Alex & Marie Manoogian School Big Fat Armenian Party.

Mark your calendars immediately for May 20. This year's event will again be held at the St. John's Recreation Center.

According to Barb Oknayan, Parent-Teacher Organization (PTO) president, and key organizer for the event, with the event right around the corner, the PTO is looking for as many helping hands as it can get.

Oknayan said that she hopes silent-auction donations will top the number received last year – 167.

Those whose efforts were greatly appreciated in 2004 included the Detroit Red Wings, WJLB-FM, Athens Coney Island, and Papa Romano's.

This year the PTO will gladly accept assistance from organizations, companies, and restaurants, as well as individuals.

Many items have already been donated from some very generous sources. These include artwork from Art Leaders Gallery, as well as items from Franklin Covey, Mattress and Futon Shop, West Smith Jewelers, Kramer Jewelry, Inc., Buddy's Pizza, and Sweet Lorraine's.

Several individuals got into the act of giving early, including Dr. Barbara Kuczynski, who donated Fendi sunglasses. Also, Maral Mamassian and Sue Atwell donated decorating services for one special occasion or holiday event.

According to Oknayan, last year's event raised \$16,000, earmarked for school improvements. More than \$24,000 total was raised during the event's first two years.

Tickets are \$50 and can only be purchased in advance – no tickets will be sold at the door. Contact the school at (248) 569-2988 for more information.

Student Earns Honor For Hard Work

Manoogian School junior Nadiya Burda was nominated for an "Outstanding Student Award" for Excellent Academic Achievement and Excellent Attendance at Oakland Schools Technical Campus Southeast in Royal Oak.

Burda attends the Health Cluster program at the school and was nominated for the honor by her instructors.

The four Oakland Schools Technical campuses practice Career Focused Education (CFE), which is, according to the school, designed to help students explore their interests and aptitudes, enabling them to make informed career choices.
