A.G.B.U. Alex & Marie Manoogian School

## Manoogian Welcomes Six New Staff Members!

The A.G.B.U. Alex & Marie Manoogian School would like to announce the addition of five teachers and one counselor to its staff for the 2002-03 school year:

**Sebouh Avedikian** is the school's Armenian Curriculum Coordinator, Armenian Section librarian, and will teach Armenian in the Upper School. Avedikian was born in Lebanon, graduating from A.G.B.U. Hovagimian Manougian High School in 1981. He received an MA in history in 1987 from the State University of Yerevan, and was a part-time teacher in the Hovagimian Manougian School from 1988 to 1999.

**Vicki Thoma Green** is handling K-12 physical education. Green, born and raised in Des Moines, Iowa, received a BS in Health and Physical Education from Murray State University. Green has also coached a long list of sports: basketball, diving, golf, softball, swimming, tennis, track and field, and volleyball. She moved to Michigan with her family in 2000 and taught in Detroit for two years prior to coming to Manoogian.

**Andreea Diana Bordeianu** is school counselor. Bordeianu is a recent graduate of Oakland University where she achieved an MA in counseling. She has been teaching for 10 years, having most recently completed three years at Roeper School in Bloomfield Hills, teaching fourth- and fifth-graders. She was born and raised in Romania, is married, and has a son. Her hobbies include traveling, skiing, guitar playing, and drawing.

**Ann Margaret McLean** is teaching Upper School math. McLean was born and raised in New York City, graduating cum laude from City College of the City University of New York, earning a BA in math. McLean also spent 12 years as an Adjunct Instructor at Schoolcraft College, Madonna University, and the University of Michigan. She has been nominated twice to be included in "Who's Who Among America's Teachers."

**Susanne Czoekara** is teaching pre-kindergarten. Czoekara carries a BA in Speech Language Pathology from Wayne State University and is pursuing a Master's in Elementary Education. The newlywed has been working in Early Childhood Education for six years.

**Cynthia Stickley** is handling Upper School science. Stickley was born and raised in the Motor City, graduating from Redford Union High School. She earned a BS in chemistry from the University of Michigan-Dearborn, and worked in the automotive industry for 14 years, developing polyurethane foams, as well as various coatings and adhesives. She became a certified science teacher in May 2001.

Again, Manoogian – its staff, teachers, students and parents – would like to say welcome, and we hope to see all six new faces in our hallways and classrooms for years to come.
