

AGBU Alex and Marie Manoogian School 63901
Safe Return to In-Person Instruction
2022-2024
Reconfirmation: April 2023

AGBU Manoogian school will continue to prioritize full, in-person teaching and learning which provides the greatest benefit to students. Ensuring that this can happen both consistently and safely during the upcoming school year, the 2022-2024 Return to Learn Plan provides detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning environments while simultaneously ensuring the health and safety for students and staff at Manoogian. This plan was collaboratively developed by all AGBU Manoogian with support from the Oakland County Health Department to ensure that Manoogian school district has aligned and detailed a plan for a successful and safe return to school and learning environment.

Please Note: This plan may change and evolve as knowledge changes surrounding current and potential variants or if the risks of severe disease, hospitalizations, or death increase. The plan may also need to vary based on in-school COVID-19 activity and outbreaks. If such changes are necessary, transition time may be needed to allow the district or building to make adjustments to mitigation strategies. Periodically, but not more than every six months during the life of the grant, the plan will be reviewed and updates will be completed, if deemed necessary.

The CDC will determine the COVID-19 community level for the county. Based on the community COVID-19 level, as determined by the CDC, **Manoogian School**, in consultation with Oakland County as necessary, will determine the number of mitigation strategies to implement to foster optimal learning environments while simultaneously ensuring the health and safety of students and staff.

AGBU Manoogian School will comply with any and all local, state, and federal mandates/orders.

The following plan outlines measures for the CDC COVID-19 Community Levels of low, medium, and high.
The levels do not apply in situations of COVID-19 outbreaks in schools, classrooms, or athletics.
