PINE LAKE COUNTRY CLUB

Pine Lake was founded in 1902, as the Automobile Club of Detroit, by Michigan automotive icons John Dodge, Ransom Olds and Henry Ford. The friends and business competitors first came across the property when they fled the city on weekends destined for an overnight camping spot on Pine Lake. Back then, the drive from Detroit was a half-day journey so they camped on the property of George and Agnes Hodges. The founders purchased the property for the future clubhouse of Pine Lake.

In 1917 the first seven holes were established. The 9-hole course was completed in 1919. In 1921 the club name was officially changed to Pine Lake Country Club. Since that change, the club has added on another 9-holes creating a championship course designed by professional golf legend, Willie Park Jr.

As time passed, other additions were made including the Olympic size swimming pool, indoor and outdoor tennis courts, the Lake Room ballroom and formal dining areas. What

began as the Automobile Club of Detroit, has transformed through the years into the premier family-oriented club that so many are proud to call home.

The Willie Park Jr. design, 18-Hole Championship Golf Course is a full regulation par 72 course. The course is situated in a picturesque setting offering an outstanding practice green and one of the area's only full compression golf ball driving ranges. Recently, the course underwent renovation work by architect Drew Rogers.

WHY WE PLAY

The A.G.B.U. Alex & Marie Manoogian School was founded in Southfield in 1969, with the goal of providing educational opportunities for area youth.

The Manoogian School is a K-12 school, with a student population of 400 and a staff of 40, whose focus is teaching the Armenian language, history and culture. From its humble beginnings, the Manoogian School has burgeoned into a highly-accredited, state-of-the-art college preparatory academy, boasting an enviable track record of alumni attending the finest colleges and universities in Michigan.
