AGBU STUDENT/PARENT HANDBOOK K-12th GRADES

CODE OF ACADEMIC PERFORMANCE & CODE OF CONDUCT

2026 – 2027

Dear Students and Parents or Guardians:

This year's Student Handbook includes several important policy updates. We encourage all families to carefully review the sections regarding Artificial Intelligence (AI), texting, student drivers, and graduation requirements.

To help you identify all revisions, any changes in the handbook have been highlighted for easy reference.

Dear Parents and Students,

As members of the AGBU Alex and Marie Manoogian School community, we extend a warm welcome and thank you for your engagement and commitment to our educational partnership. Together, with our students and their families, we strive to provide an exceptional learning experience grounded in academic excellence and rich cultural heritage.

Founded in 1969, the AGBU Alex & Marie Manoogian School is the only Armenian public charter school in the Midwest. Guided by a mission to preserve the Armenian language and culture, we are committed to educating all students in a safe, dignified, and supportive environment. Our success is made possible through strong partnerships with families, community organizations, and supporters like you—ensuring that our diverse students are empowered to thrive academically, embrace their heritage, and become compassionate leaders in a global society.

Our school has grown from ten students to a highly acclaimed K–12 academy recognized by *U.S. News & World Report* and accredited by Cognia. The forty-two graduates of the Class of 2026 earned nearly \$9 million in scholarships, with 95% of graduates securing post-secondary plans. Nine students were admitted to the University of Michigan–Ann Arbor. This year 50 percent of our seniors earned the Michigan Department of Education Seal of Biliteracy.

Manoogian students benefit from a robust STEAM curriculum, including graphic design, automotive engineering, and robotics. Our K–12 STEAM Center opened in Fall 2022 and serves as the hub for innovation, creativity, and real-world application. Our award-winning robotics and electric car teams have claimed top honors across Michigan, including the 2023 OCCRA Grand Championship.

We proudly offer dual enrollment partnerships with Central Michigan University, Lawrence Tech, and Oakland Community College. Tuition is fully covered by the school, and students can earn up to 15 college credits before graduation. In addition, we are proud to offer the Michigan Department of Education’s Seal of Biliteracy—this year recognizing 24 seniors for proficiency in languages such as Armenian, Arabic, Russian, Spanish, and Ukrainian.

In middle school, our Future City team consistently excels in this prestigious, nationally recognized competition sponsored by the Engineering Society of Detroit. Each year, students tackle a futuristic engineering challenge, developing innovative solutions that integrate science, technology, engineering, and math with creativity and teamwork. Manoogian’s teams have earned a minimum of four awards annually for outstanding achievements in design, presentation, and model building.

In Fall 2025, we resumed our international Armenia trip—the first since 2018—giving high school students a powerful opportunity to connect with their heritage firsthand and in the Fall 2026 we will continue our high school trip to Washington DC. Our commitment to cultural pride, academic excellence, and personal growth is the hallmark of a Manoogian education.

We are grateful for your support in helping us continue this mission.

Mrs. Sonia Kalfayan
K- 12 Principal
Superintendent

SCHOOL-WIDE GUIDING PRINCIPLES

The AGBU Alex and Marie Manoogian School supports the following **Guiding Principles** to help accomplish its **Mission** and achieve its **Expectations for Students**:

GUIDING PRINCIPLES

- Quality education requires a safe, secure, and supportive learning environment.
- To stimulate independent and divergent thinking through instructional methods that keep pace with society's changing demands.
- To recognize and value the uniqueness of every student, challenging each to fulfill their potential.
- To promote the appreciation of lifelong learning within an environment of excellence.
- The curriculum promotes the development of the Armenian language and the understanding and appreciation of Armenian history and art.
- Together with the faculty and parents, the School Board of Directors will provide the foundation for students' fulfillment and success.

MISSION STATEMENT

The AGBU Alex & Marie Manoogian School will successfully educate all students in a safe, dignified, and supportive setting, partnering with the community to preserve the Armenian language and culture.

We will prepare students to develop intellectually, morally, and physically to become productive leaders in a global society.

VISION STATEMENT

We will prepare students to develop intellectually, morally, and physically to become productive leaders in a global society.

SCHOOL-WIDE EXPECTATIONS FOR STUDENTS

The AGBU Alex and Marie Manoogian School offers a sound K-12 education based on well-defined educational outcomes:

By the end of the twelfth grade, a student shall:

- Be able to use the Language Arts for effective communication.
- Be functional in Armenian language, history, literature, and culture.
- Be proficient in mathematics, science, and technology.
- Be able to think analytically and logically and be able to solve problems.
- Understand the fundamentals of money and property management and other resources.
- Have developed lifetime learning skills.
- Be concerned, caring and sensitive to others with a sense of community, civic and environmental responsibility, and sense of loyalty to the democratic principles of America.
- Have an appreciation of the cultural riches of art, music, and literature.
- Have developed skills for the enhancement of a healthy body accompanied with a feeling of self-worth, security and self-confidence.
- Be able to make good value judgments and decisions.
- Understand the responsibilities and skills involved in family living.
- Be prepared for college, career, and life!

Positive Behavioral Interventions and Supports (PBIS)

Manoogian School implements a school-wide PBIS framework to promote a positive, predictable, and safe learning environment. Expectations are explicitly taught, consistently reinforced, and supported through recognition, reteaching, and restorative practices. Our goal is to develop responsible, respectful, and safe students through proactive supports rather than reactive discipline.

PHILOSOPHY

The AGBU Alex & Marie Manoogian School is an Armenian/American co-educational, nonprofit school chartered under Central Michigan University, which seeks to meet the educational needs of students from kindergarten through 12th grades. The Manoogian School will accept the application of any student regardless of race, creed, or color.

By combining both Armenian and American cultures, the Manoogian School provides a unique educational program. A curriculum in language arts, mathematics, science, social studies, computers, art, music, and physical education is offered. Studies in Armenian language and history are emphasized to develop the awareness, understanding and pride of Armenians.

The school provides small class sizes and a low teacher-pupil ratio. Within this structure, students, under faculty direction, can become more independent, seek new challenges and think creatively and critically.

The AGBU Alex & Marie Manoogian School is flexible to meet the needs of the students.

HUMAN DIGNITY STATEMENT

The Board of Education, recognizing that this is a multi-cultural, multi-ethnic school district, believes it is a part of our mission to provide a positive, harmonious environment in which respect for the diverse make-up of our school community is promoted. A major aim of education in the Manoogian High School is the development of a reasoned commitment to the core values of a democratic society.

In accordance with this aim, the school will not tolerate behavior by students' which insults, degrades, or stereotypes any race, gender, handicap, physical condition, sexual orientation, marital status, ethnic group, or religion. The appropriate consequences for offending this policy shall be specified in the Student Code of Conduct guidelines and Addendum.

HARASSMENT

It is the policy of the Board of Directors to maintain an education and work environment which is free from all forms of unlawful harassment including sexual harassment. This applies to all school operations, programs, and activities at any school/Board sponsored activity whether on school property or elsewhere. All students, administrators, teachers, staff, and other school personnel are responsible to avoid, discourage, and report any form of harassment. The Board will investigate all allegations of harassment and, when substantiated, will take immediate steps to end the harassment and take disciplinary action against offenders.

COMMUNICATIONS

The AGBU Alex & Marie Manoogian School prohibits teachers and administrators from using personal texting and social media to communicate directly with students, in order to maintain professional boundaries and ensure student safety. Staff is required to use official, school-sanctioned channels for all communications.

Approved Platforms: Teachers must communicate via official district email, approved learning management systems, or district-sponsored apps.

Prohibited Channels: Using personal cell phone numbers, private social media accounts (e.g., Instagram, Snapchat, Facebook) or personal texting apps to message students is prohibited.

Exceptions: In limited, authorized circumstances – such as text updates sent to a large group for extracurricular teams or club activities – teachers must include parents in the communication or use mass-notification tools.

Transparency: All digital correspondence must remain professional, transparent, and accessible to administration to prevent inappropriate behavior or cyberbullying.

PART I CODE OF ACADEMIC PERFORMANCE

TECHNOLOGY USE GUIDELINES

Every student has the opportunity to use available technology resources designated for student access for the purpose of educational growth. The trust that defines the Manoogian School requires that technology resources be used for educational purposes consistent with the mission of the district, unselfishly, with good manners, responsible behavior and for the good of the community. These guidelines apply to all technological resources.

Responsibilities

1. **Authorized usage.** Students using technology as an educational resource shall also accept the responsibility for the preservation and care of that technology. **Only those students with appropriate and explicit authorization may use any technology.**
2. **School/Departmental policies and procedures.** It is the student's responsibility to follow policies and procedures established for the use of any technology. It is the student's responsibility to follow the directions of the teacher or designated individual in the use/access of all technology.

It is a student's responsibility to keep food, drink, and other harmful objects away from technological systems as directed by the school.

3. **Use of copyrighted intellectual property.** It is the student's responsibility to follow all copyright laws regarding the use, duplication, application, distribution, and/or repurposing of intellectual property (e.g., software, text, video, music, clipart and commercial images). It is the student's responsibility to make certain no copyrighted material is used without explicit permission of the copyright holder (e.g., author, programmer, producer, developer, publisher, artist, and company). This includes, but is not limited to, importing and exporting of graphics, text, audio, and visual images on the web.
4. **Privacy of individuals and/or the district.** It is the student's responsibility to respect the privacy of others, and to maintain their own privacy, regarding electronic resources and passwords.

Students shall not access, copy, or modify passwords, files, e-mail, voicemail, or other materials belonging to other users without explicit authorization of the supervising teacher or designated individual. In the case of suspected misuse or threat to electronic system, system administrators have the responsibility to review passwords, files, e-mail, voicemail, or other materials stored on any district system by users.

A student shall not publish works of others. A student shall not publish or disseminate personally identifiable information about a student. Personally identifiable information includes, but is not limited to: the student's name; the name of the student's parent or other family member; the address of the student or student's family; a personal identifier, such as the student's social security number or student number; a list of personal characteristics that would make the student's identity easily traceable; or other information that would make the student's identity easily traceable, including visual images.

5. **Appropriate use.** It is a student's responsibility to keep material inappropriate for school use from being used or created on the school's technology systems (including electronic resources and textual, video, visual images, and/or audio materials, and web pages.) Appropriate technology use will be taught and reinforced by staff. Students may receive reteaching and guidance when expectations are not met.

It is a student's responsibility not to use any technology in a manner which conveys an offensive, profane, or sexually suggestive message, nor to use technology to harass, disturb by pestering or tormenting, including, but not limited to intimidation because of a person's race, color, gender, or ethnicity. This includes, but is not limited to, the use of technology resources, which precludes or significantly hampers use by others. Students may not access internet-based communication systems from school computers without explicit permission from a teacher or administration.

6. **Damage, vandalism, or destruction of technological systems.** Students using technology shall respect the integrity of technological systems and information. It is the student's responsibility to make sure no technology is destroyed, modified, relocated, or abused in any way. Students are expected to care for all technology. Families may be responsible for damage resulting from misuse.

It is a student's responsibility not to use or develop programs that infiltrate, harm or damage components of a computer or computing system/network. It is a student's responsibility to keep programs containing a virus off the school's computers and networks.

Virus-checking procedures will be made available for student use.

7. **"Sexting" is prohibited at any time.** Sexting is the electronic transmission of sexual messages, real or AI generated pictures, or videos, usually through text messaging or social media. Such conduct not only is potentially dangerous for the involved students but can lead to unwanted exposure of the messages and images to others and could result in criminal violations related to the transmission or possession of child pornography. Such conduct will be subject to discipline and possible confiscation of the wireless communication device.
8. **Violations and misuse.** It is the student's responsibility to report any violations or misuse of technology to the supervising teacher or designated individual responsible.
9. **Unauthorized Use of Faculty/Staff Computers.** Any student who uses or attempts to use a faculty/staff member's computer without permission from that faculty/staff member will be suspended from school for 10 days. Any student participating in such unauthorized use, whether using the computer or not, may also be suspended for up to 10 days. Any student who witnesses unauthorized use of a computer is required to report it to a faculty member and/or administrator. Failure to do so may result in disciplinary action.
10. **Disciplinary Action:** Violations of these technology guidelines constitute violations of the Student Code of Conduct. Class I violations would include, but not be limited to, guidelines 1 through 3 described above. Class II violations would include, but not be limited to, guidelines 4 through 7 described above.

PLAGIARISM

Academic integrity is an essential expectation at Manoogian School. When plagiarism or misuse of sources (including AI) occurs, students will receive a zero on the assignment and will be provided with reteaching to support proper academic practices. The goal is to ensure students learn and demonstrate their own understanding while developing responsible academic habits.

Plagiarism, which includes copying/cheating/using Artificial Intelligence (AI), are serious offenses which violate the basic concept of helping students learn to take responsibility for their academic results. In addition to indicating that the student has not learned certain material, attempting to cheat his/her way through an assignment is very poor preparation for a successful future. The AGBU Manoogian School considers plagiarism/copying/cheating/AI a major problem and follows firm rules when such actions are detected.

Any attempt to receive credit for work which is not the student's own, including AI-assisted work, regardless of the percentage of unoriginal work, will result in an E for the assignment. This rule will be followed in all classes in all disciplines. If a student commits the same offense in the same class a second time, the student will receive an E quarter grade on the next card marking. At the time of the offense, parents will be called for a conference. In addition, if the student is a member of the National Honor Society, he/she will become an inactive member. A student who holds a class office or team position may lose that position.

Plagiarism/Copying/Cheating/using AI consists of, but is not limited to, the following:

- Direct quoting without giving credit to the source
- Omitting quotation marks to indicate quoted material
- Copying the work of other students (giving work to another student and copying work from another student are both offenses)
- Paraphrasing the ideas of others without giving credit
- Submitting work which has already been given credit
- Using any source which automatically translates English into a foreign language, or translates a foreign language into English
- Looking at another person's test, quiz, or assignment
- Letting another student look at a test or quiz
- Using other methods of receiving or giving answers on a test, quiz, or assignment (including Internet, electronic devices, word of mouth, placement of paper, etc.) Working with others on an assignment that is to be done individually
- Taking papers in part or in whole and /or another person's original idea from the Internet, other publications, or other students
- Providing inappropriate assistance – such as sharing answers or ideas on a writing assignment
- Obtaining or attempting to obtain copies of tests, answer keys, etc.
- Using AI to wholly or partially create work.

NOTIFICATION TO PUBLIC REGARDING INSPECTION OF INSTRUCTIONAL MATERIALS

The principal are responsible for coordinating inspections of instructional materials at the school.

Members of the public have the right to inspect instructional materials, including but not limited to print and non-print materials, teacher's manuals, films, tapes, and any other supplementary materials used as part of the educational curriculum.

PRIVACY ACT

Parents or students who believe their rights under FERPA have been violated may file a complaint with ED by writing to the Family Policy Compliance Office. Complaints must contain specific allegations of fact giving reasonable cause to believe that a violation of FERPA occurred.

For additional information or technical assistance parents may contact the following address:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-4605
(202) 260-3887

SEARCH OF PROPERTY

Searches of students' school assigned spaces shall be conducted with at least two school staff members present. The school district retains the right to search regardless of whether the student has given consent or is present for the search.

Except in the case of an emergency as described below, only students concerned will be permitted to be present when school assigned spaces are searched by school personnel.

The school district retains the right to search in emergency situations, such as a bomb threat or a reasonable suspicion that a weapon, dangerous materials, or illicit materials are on the premises. In the event of such a clearly defined emergency, the principal or designee has the right to enter school property assigned to the student. The student should be notified of such action as soon thereafter as possible.

There must be reasonable suspicion that a student is either in possession of an illegal or prohibited article as defined by this policy or applicable laws.

NOTIFICATION TO PARENTS REGARDING STUDENT RECORDS

The principal serve as Custodians of Records and are responsible for the supervision and maintenance of student records at the school.

Each student's records are maintained in a confidential file located in the school office. Information contained in a student's record is available for review by the parent or legal guardian, the adult student (eighteen years of age or older), and individuals authorized by federal, state, and district regulations. Parents and students have ongoing access to student information, including grades, attendance, and other academic records, through the school's Skyward system.

A parent or adult student has the right to:

A. Inspect and Review Records

Access and review student records at any time through the Skyward system. For records not available in Skyward, parents or adult students may submit a request to the school office. The school will provide access to those records within a reasonable timeframe in accordance with applicable law.

B. Request Amendment of Records

Request an amendment to the student's education record if it is believed to be inaccurate, misleading, or in violation of the student's rights. Requests must be submitted in writing using the school's Student Record Correction Request Form and must clearly identify the part of the record to be changed and the reason for the request.

C. Consent to Disclosure

Provide written consent before personally identifiable information is disclosed, except in cases permitted by law. The school's administrative guideline 8330 outlines these exceptions and is available upon request.

D. Request a Hearing

Request a hearing if the school declines to amend the record as requested. The parent or adult student will be notified of the decision and provided with information regarding the hearing process.

E. File a Complaint

File a complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, D.C. 20202-4605, if they believe their rights under FERPA have been violated.

F. Obtain Policies

Request a copy of the District's policy and administrative guidelines related to student records (Policy 8330).

The District has established the following information about each student as "directory information":

Name
Grade
GPA
Age
Previous Awards
Years at Manoogian School

NOTICE OF NONDISCRIMINATION AND GRIEVANCE PROCEDURES (INCLUDING TITLE II, TITLE VI, AND TITLE IX, SECTION 504, AND ADA)

NONDISCRIMINATION

The Board of Directors does not discriminate on the basis of religion, race, color, national origin, sex, disability, or age in its program, activities, or employment.

Further, it is the policy of the Manoogian School to provide an equal opportunity for all students, regardless of race, color, creed, age, disability, religion, gender, ancestry, national origin, place of residence within the boundaries of the Manoogian School, or social or economic background, to learn through the curriculum offered in the Manoogian School.

Any person that believes that she/he has been discriminated against or denied equal opportunity or access to programs or services may file a complaint, which shall be referred to as a grievance, with the school principal. (Sonia Kalfayan, skalfayan@manoogian.org)

The individual may also, at any time, contact the U.S. Department of Education, Office of Civil Rights, 600 Superior Avenue, Room 750, Cleveland, Ohio 44114-2611.

HARASSMENT

It is the policy of the Board of Directors to maintain an education and work environment which is free from all forms of unlawful harassment including sexual harassment. This applies to all school operations, programs, and activities at any school/Board sponsored activity whether on school property or elsewhere. All students, administrators, teachers, staff, and other school personnel are responsible to avoid, discourage, and report any form of harassment. The Board will investigate all allegations of harassment and, when substantiated, will take immediate steps to end the harassment and take disciplinary action against offenders.

PESTICIDE NOTIFICATION

The Manoogian School utilizes an Integrated Pest Management (IPM) approach to control pests. All treatments are done after school hours or during vacations. If you wish prior notification to any application, please notify the school office (248) 569-2988.

A pesticide management company conducts monthly applications at the Manoogian School.

ASBESTOS MANAGEMENT PLAN

In compliance with the EPA's AHERA Regulation (40 CFR Part 763, Section 763.92), AGBU Alex and Marie Manoogian School maintains a comprehensive Asbestos Management Plan for the safe handling and monitoring of Asbestos-Containing Materials (ACM) on school property.

The Designated Asbestos Coordinator for the school is Sonia Kalfayan. If you would like to review a copy of the Asbestos Management Plan, please contact her at skalfayan@manoogian.org.

PART II CODE OF CONDUCT

PARENT-TEACHER ORGANIZATION

The cost of operating a good educational institution is very high. The income provided by public funds does not cover the expenses. The school encourages and appreciates donations from parents, businesses and other organizations. In order to supplement the income of the school budget, the Parent-Teacher Organization (PTO) of the AGBU Alex and Marie Manoogian School initiates and carries out various fund-raisers throughout the academic year. Families are encouraged to participate and support PTO activities whenever possible.

Each family will sign up for at least one activity/function during the course of the year from the PTO activity list. Parents will participate in committees, which will plan and execute school activities. With cooperation and goodwill of all, much can be accomplished. One Friday each month the PTO provides a hot lunch that may be purchased by students and faculty.

CLASSROOM MATERIALS AND SUPPLY FEE

Families are expected to pay the classroom materials and supply fee through PTO at the beginning of the school year.

PARENT INVOLVEMENT PLAN

The AGBU Manoogian School agrees with the research supporting the value of parent involvement in the school. Such involvement contributes greatly to the success of the students whose parents are part of the school, and it enriches the curriculum for the benefit of all students.

1. Parents fill out an annual survey evaluating their school experience.
2. Parents are asked at the beginning of each school year to list any activities they are interested in supporting and any special expertise they have which may be used to enrich the curriculum.
3. Parents are encouraged to read the handbook and discuss the contents with the student. The handbook contains a page, which must be signed by the student and parent indicating that the individual has read and understood the material.
4. Parents are consulted whenever a teacher or administrator feels that a student needs extra help if he/she is to benefit fully from the program.
5. The counselor notifies parents and initiates dialogue when a student is tested, counseled, or placed in a special program.
6. A calendar listing all events including Board meetings are found on the school's website.
7. Parents are needed as chaperones, and to serve on various committees.

LOST AND FOUND

Articles found in or around the school should be turned into the school offices where students and parents may claim their property by identifying the items. Upon request, parents and students are welcome to check for lost items. At the end of each academic year, all items left in the lost and found will be donated to charity.

USE OF CLINIC

Students who are ill should be kept at home. However, students who become ill at school may use the clinic for a period of no longer than 30 minutes. If the student is not feeling better after 30 minutes, parents are contacted and **must** pick up their child or make other arrangements.

MEDICATION

Parents are to provide the school with pertinent information regarding health disorders which could affect the student during the school day, influence his/her behavior, or have a long-range effect on the student's educational progress.

Under no circumstances will the school assume the responsibility of administering medication to students. According to the Oakland County Department of Health Regulations, medication for students must be registered with the school. If your son or daughter must take any medication during school hours, please obtain a copy of the medication form from the school office, have it filled out by the attending physician and return it to the school with the medication. It is also useful to have a form signed by the parent who approves of his/her child taking an occasional OTC (over-the-counter) medication if the need arises. Parental consent is required when students need to take any OTC medication at school. **Students will not take any medication without school supervision, nor share with other students.**

EMERGENCY SCHOOL CLOSING

In case of inclement weather, school closings will be announced on local television and radio stations. Families will also be contacted through the school's telephone network. Additionally, Skylert notifications will be sent to your email and phone. This information will also be on the web page at <http://www.manoogian.org> or at <http://freep.com/closings>.

FIRE DRILL PROCEDURES

Whenever fire drills are conducted, the students must obey these rules:

- Students leave the classroom in a quiet, orderly manner under the direction of the teacher.
- Teachers take roll at a designated place and bring the classes back in when the all-clear signal has been given.

TORNADO DRILL PROCEDURES

Whenever Southfield area tornado alarms are sounded, students should quietly follow the tornado drill locations posted in their rooms. Classroom teachers take attendance at the designated areas and supervise students during the period of stay. When the all-clear signal is given, students return to their classrooms in an orderly manner.

LOCK DOWN DRILL PROCEDURES

As mandated by the state, whenever lockdown drills are conducted, students must obey these rules:

- Follow all adult directions that will keep all students safe.
- Classes will resume when the all-clear signal has been given.

TELEPHONE

Students **MAY** use the office phone for personal calls with a pass from their teacher and permission of the office staff.

ELEVATOR USE

Students may not use the elevators in high school unless they have a pass with specific permission to use them.

VISITING THE SCHOOL

All visitors to the school must sign in at the office.

PARENTS: Parents who would like to visit the school are welcome to do so provided that they make prior arrangements with the main office or high school office. Then they may proceed to have a tour of the facilities, observe their child's classroom or pick up the child for personal reasons. Parents are otherwise NOT permitted beyond the lobby during school hours.

FRIENDS/RELATIVES: Friends and relatives will not be permitted to visit the school during regular school hours.

Parents who wish to meet or speak with any of their children's teachers have the option of emailing the teacher or leaving a voicemail message. If you're calling regarding an emergency, please call the relevant office; otherwise, expect a response from the teacher within 24 hours. Teachers should not be contacted on their cell phones during school hours.

FIELD TRIP TRANSPORTATION REGULATIONS

To ensure a safe and enjoyable experience for all students, the following expectations will be followed while riding the bus:

1. Students will keep food and gum off the bus unless otherwise permitted by staff.
2. Students will keep all objects to themselves and inside the bus.
3. Students will use appropriate and respectful language at all times.
4. Students will help keep the bus clean by disposing of trash properly.
5. Students will keep hands, arms, and head inside the bus and follow driver directions regarding windows.
6. Students will use a calm voice level so the driver can focus on safely operating the bus.
7. Students will remain seated in their assigned seat while the bus is in motion.
8. Students will remain seated until the bus comes to a complete stop before entering or exiting.
9. Students will take care of the bus and respect all school property.
10. Students will follow all directions from the bus driver and staff to help ensure a safe ride for everyone.

STUDENT DISCIPLINE TERMINOLOGY

The information provided here outlines the administrative actions that will be taken in response to any violations of the Student Code of Conduct. Before escalation through discipline steps, staff will use proactive strategies including reteaching expectations, redirection, and positive reinforcement. Details of specific infractions and their consequences are listed in the Addendum. Please note that disciplinary forms will be sent home for parent signature. All forms must be signed and returned to the high school office by the date specified on the form.

DETENTION: Students may be issued a detention for tardies, gum chewing, dress code violations, and other minor infractions. Detentions occur during lunch. Students who receive excessive detentions may be denied the privilege of going on class trips or participating in class/school activities. A student who skips detentions may receive a one-day suspension.

REFERRALS: A student receives a referral when his/her behavior disrupts the educational process. For various classes of student violation and referrals, please see Addendum. Each Referral includes a detention, counseling, school service conference or other disciplinary action.

IN-SCHOOL SUSPENSION: Students remain apart from classmates in the in-school suspension area for the day. In some cases, if the class is having a test on that day, the student may join his/her class for the test. It is the student's responsibility to obtain any missed work from the classroom teachers and to submit all work the day after the suspension.

SHORT-TERM SUSPENSION: Students may not attend school, be present on school grounds, or attend any school-sponsored events for a period not to exceed ten (10) school days. It is the student's responsibility to obtain any missed work from the classroom teachers and to submit all work in a timely manner.

LONG-TERM SUSPENSION: Students may not attend school, be present on school grounds, or attend any school-sponsored events for a period in excess of ten (10) school days, not to exceed ninety (90) school days. It is the student's responsibility to obtain any missed work from the classroom teachers and to submit all work in a timely manner.

EXPULSION: The total and permanent exclusion of a student from the AGBU Alex & Marie Manoogian School.

STUDENT AND/OR PARENT CONFERENCES: Held to modify Aca.

SEARCH AND SEIZURE: Searches of school property, individual persons and/or personal property, lockers, and seizure of any illegal items may occur as deemed necessary by the school administration.

WEAPONS: Possession and/or use of a weapon (see definition below) on school property is strictly prohibited. A long-term suspension or recommendation for expulsion will result. The student will be referred to the Southfield Police Department.

- A “weapon” is generally defined as something used to inflict injury, defeat, or destroy or cause physical harm. A weapon shall also include an object or instrument which is not in and of itself a weapon as above defined, but where the possession or use of same is coupled with an intent by the student to inflict injury or physical harm upon the person or another.
- The term “dangerous weapon” may cover many types of instruments such as a firearm, dirk, dagger, stiletto, iron bar, knife with a blade over 3 inches in length, pocket knife opened by a mechanical device, and brass knuckles.
- A “firearm” is defined as any weapon (including a starter gun) which will or is designed or may readily be converted to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; any firearm muffler or firearm silencer; or any destructive device.

NOTIFICATION TO LAW ENFORCEMENT AUTHORITIES

- A. Law enforcement authorities will be notified in cases of Class II and Class III Offenses that constitute criminal conduct under Michigan Law.
- B. Procedures for notifying law enforcement agencies
 - 1. Law enforcement agencies shall be notified of all Class II and Class III offenses that constitute criminal conduct under Michigan law. In addition, law enforcement may be contacted at the discretion of the principal or designee when necessary to protect the safety of the student, other individuals, or school or private property.
 - 2. Law enforcement authorities may be initially notified by telephone; however, such notification shall subsequently be reported in writing, with a copy of the notification distributed to the school liaison officers and placed in the student's file.
 - 3. The parents/guardians shall be advised immediately of notification of law enforcement authorities. Notification of law enforcement does not automatically result in an arrest or criminal charges and may be made for documentation, investigation, or safety purposes.

C. Definitions

Class II and Class III Offenses are criminal offenses in Michigan Law. Basically, there are two categories of offenses: misdemeanors and felonies.

- 1. A misdemeanor is defined as an offense with the prescribed maximum penalty of up to one year in the county jail and/or up to a \$100 fine.
- 2. A felony is defined as an offense with the prescribed penalty being a minimum one-year sentence to a maximum of life to be served in a state prison facility and/or fines as prescribed by law.

D. Reporting of criminal offenses to law enforcement authorities is required under the School Safety Act (Public Act 102 of 1999).

MEMORANDUM TO PARENTS REGARDING SCHOOL BOARD POLICY ON DRUG-FREE SCHOOLS

In accordance with Federal Law, the Board of Directors prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute, or substance that could be considered a "look-a-like" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by state law, the school will also notify law enforcement officials.

The school is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which the student receives help through programs and services available in the community. Students and their parents should contact the school leader or counseling office whenever such help is needed.

- Attend school regularly and be punctual.
- Have my homework completed and turned in on time.
- Participate constructively in the classroom.
- Show respect for myself: my school, and others.
- Do my part in keeping my school clean and safe and I will speak up if I have a problem.

TEACHER AGREEMENT

It is important that I encourage all students to follow the AGBU Alex & Marie Manoogian School Code of Conduct. In addition, I will:

- Provide an environment conducive to learning and problem solving.
- Have high expectations for my students and myself by using methods and techniques that work for my classroom.
- Provide appropriate and meaningful assignments for my students.
- Maintain open lines of effective communication with my students and their parents, in order to support student learning. - Respect the students, their parents, and the diverse cultures of the school - Serve as a role model
- Encourage students to ask questions.
- Provide opportunities for cooperative learning.

PARENT/GUARDIAN AGREEMENT

As a parent, I/we understand my responsibility to read and follow and encourage my child to follow the Manoogian School Code of Conduct. In addition, I want to do his/her best in school. Therefore, I will help him/her by doing the following:

- Recognize that what I do at home and towards the school affects my child's success or failure. - Send a well-nourished, well-rested, well-loved child to school each day.
- See that my child is punctual and attends school regularly.
- Support the school in its efforts to maintain proper discipline.
- Attend parent-teacher conferences and other school functions.
- Read with my child and let my child see me read.
- Monitor my child's media exposure (Internet access, TV and movie viewing, magazines, books, etc.).
- Set aside a time each evening for schoolwork and supervise the completion of the work.
- Model respect by going to the teacher first about any concerns, trying to keep lines of communication open and understand that there are two sides to every issue.
- Volunteer in PTO and school activities.
- Recognize and respect the faculty and administration as partners in the development of my child.

GRADING SYSTEM AND REPORT CARDS

Student performance, achievements and citizenship are evaluated and reported periodically. There are two semesters in the academic year and two quarters in each semester. Report cards are posted on Skyward Data Base for the parents or guardians four times during the year.

Formal parent-teacher conferences are scheduled after the first and the third quarters. The first report card will be given to parents at the November Parent/Teacher Conferences. It is imperative that all parents meet the teachers of their children and together plan a course of action so that the benefits of education can be maximized. In addition, conferences may be arranged at times mutually agreeable to those concerned.

Grades are reported by the school on the following scale:

Kindergarten through Second Grades

O – Outstanding
S – Satisfactory
U – Unsatisfactory

Third Grade through Fifth Grade on SKYWARD

<u>Grades</u>	<u>Citizenship</u>
A - Excellent	4 - Excellent
B - Above Average	3 - Acceptable
C - Average	2 - Needs Improvement

ELEMENTARY DRESS CODE

GRADES K – 5

Free Dress Code

FREE DRESS

On those days where students are permitted free dress, the following rules must be followed:

Shoes

No sliders, flip flops, or sandals.

Boys

Boys are permitted to wear shorts that come down to knees.

Girls

Girls may wear leggings with long length tops. Crop tops, or spaghetti strap tops are not allowed.

Modesty must be always maintained. Girls are permitted to wear shorts that come down to the knees. No short shorts are allowed.

ATTENDANCE

Attendance and punctuality are vital for success. ***Parents are reminded to call the school office before 8:00 a.m. if their son/daughter will be absent from school.*** A robo call is an automated attendance system. Any unexcused tardies or absences will trigger a robo call. Parents must call the school by 8:00 a.m. to prevent such a call. Kindergarten and elementary students are marked tardy if they arrive in homeroom after 8:00 a.m. **STUDENTS MUST BE IN CLASS NO LATER THAN 8:00 A.M.**

Students who are absent for ten days (10) per semester, whether excused or unexcused, place themselves in danger of being retained. **Students who are tardy three times will result in one unexcused absence.** These students and their parents will meet with the committee.

Students are required to bring a note from home when returning from an absence. The note will be given to the school secretary.

Parents and students have a responsibility for attendance and are encouraged to schedule medical and dental appointments, personal business, and vacations outside of regular school hours.

Parents should not schedule vacations during school days. While sick days, funerals, weddings, other special circumstances are excused, vacations are not excused. School work will not be given for unexcused absences.

Parents who come to pick up a student before regular dismissal MUST come to the school office. The student will then be excused by school personnel. Under no circumstances should a student leave the school building or property during the school day unless first receiving permission from a school authority. Students in violation of this rule are considered truant.

RECESS

Recess time is provided during the school day for all students. Kindergarten and lower grade school students usually participate in outdoor recess activities as the weather permits. Parents should dress their children accordingly. Parents should provide their children with warm jackets, hats, gloves and boots during cold months. A doctor's written excuse is needed for all students needing to remain indoors for more than one day.

ARRIVAL AND DISMISSAL

A separate paper will be sent home detailing arrival and dismissal procedures. Students should not arrive at school before 7:50 a.m. Students are dismissed at 2:55 p.m. Parents arriving before that time to pick up their child should remain in their cars in the parking lot until the students are dismissed from their last hour classes. ***All students must have left the premises by 3:30 p.m. Any student that is in the building after 3:30 p.m. will go to Latchkey.***

PARENT PERMISSION FOR TRANSPORTATION CHANGE

Please call the office to give your permission when your child is to be picked up by someone else with someone other than yourself. If the drop off point is any place other than your home address, permission must be given to the office by the parents.

FIELD TRIPS

Field trips that are part of the curriculum and required are planned throughout the school year by the classroom teacher or teachers of specific subjects. Permission slips are sent home to obtain parental approval for the student's participation as well as to pay for transportation and other expenses involved.

DISCIPLINE

School discipline is an extension of discipline, which begins in the home. The concept of "discipline" at the Manoogian School does not mean verbal or physical punishment. Rather it means organization, planning, and scheduling of activities and learning experiences; developing a sense of responsibility as well as the self-discipline to carry out the expected behaviors. The purpose of all discipline is to guide children toward acceptable behavior and to teach them to make wise and responsible decisions. Cooperation of parents, teachers, and administrators is essential in this process.

CODE OF CONDUCT

By submitting to the authority of home, school, and society, students learn to take charge of their behavior and prepare for their adult roles as mature and responsible members of the community to which they belong. The Manoogian School expects students to:

1. Respect themselves and others.
2. Respect the rules and regulations established by the school administration and by the faculty and staff.
3. Study diligently and maintain the best possible level of academic achievement.
4. Be punctual and conform to the routine of school schedules.
5. Use proper language in both Armenian and English.
6. Observe the school's dress code.
7. Help maintain and improve the school environment by respecting school property.
8. Show responsible behavior and good manners. Students who destroy or vandalize school property, lose or damage library or textbooks are required to pay for losses or damages. If a student damages something by accident, he/she should report it to a teacher or to the administrative office immediately.

Referrals will be given to students for the following behaviors:

1. Insubordination – failure to respond to a reasonable request, failure to respond in an appropriate voice, not using proper intonation.
2. Swearing and unacceptable language.
3. All unacceptable behavior – Ex.: persistent bullying, pinching, biting, name-calling (grade levels will be considered).

Results:

1st and 2nd Referrals – Will meet with Principal

3rd Referrals – Principal/Parent/Teacher Conference

4th Referrals – One-day suspension or detention

Students who receive more than four (4) referrals will be subject to the rules and consequences listed in the school-wide Discipline Code. Every student and parent must read this code and return to the homeroom teacher the signed sheet showing the code has been read and discussed.

****Each referral will be sent home with the student to be signed by the parent and returned to the homeroom teacher.***

HONOR ROLL/SPECIAL ACHIEVEMENT

The honor roll is based on grades in all subjects. Students who maintain a Grade Point Average (GPA) between 3.5 and 4.0 and have no grade that is a "C" (2.0) or below qualify for the Administrator's List. Those with a GPA between 3.0 and 3.49 and no grade that is a "C-" (1.67) or below qualify for the Honor Roll. All students who are recognized will receive award incentives.

POSITIVE CHARACTER DEVELOPMENT

Positive Behavioral Interventions and Supports (PBIS) is a system used to help students behave in positive, respectful, and safe ways – rather than just punishing bad behavior. PBIS teaches expectations clearly, reward positive behavior, prevent problems before they happen, and help students who need extra support.

MIDDLE SCHOOL POLICY FOR CREDIT/PROMOTION

Middle School students are expected to pass all their classes.

A Middle School student who fails two core courses (English, math, social studies, and science) will have to repeat the grade. A Middle School student who fails the Armenian class must complete the work on a summer packet and pass the Armenian final before the next year begins.

REPEATED FAILURES

A student who has failed two or more of their academic classes for a year will be retained. If the student repeats the grade and again fails to pass their classes, the student, parents, counselor, and principal will meet to consider other programs which may better meet that student's needs.

RESTROOMS

Middle School students are expected to use the Middle School restroom, or STEAM center restroom when in there for class. **They should never use the High School restroom.**

NATIONAL JUNIOR HONOR SOCIETY

Qualifications and requirements for the National Honor Society (NJHS) at the AGBU Alex & Marie Manoogian high school include:

1. Academic Excellence: A minimum GPA requirement of 3.5 on a 4.0 scale.
2. Character: Students should demonstrate good character, which often involves avoiding disciplinary issues, exhibiting respect for others, and showing responsibility. Students who become involved in disciplinary issues may face a period of prohibition for their behavior.
3. Leadership: Leadership qualities can be demonstrated through participation in clubs, organizations, or community activities where you take on leadership roles.
4. Service: Volunteering and community service are essential. NJHS members should have a history of actively contributing to their community or school.
5. Application: Applications are required to thoroughly complete a formal application. Information on the application includes how you meet the NJHS criteria and how you will contribute to the organization.
6. Interview: Applicants will be required to undergo an interview process during which a selection committee will assess their qualifications and commitment.

LAPTOP USE

At the beginning of the school year middle school students will be assigned a laptop to use for the entire school year. Deposits will be made for the laptop which will be refunded at the end of the year. The deposit is to ensure that the student is responsible for the condition of the laptop. The deposit will be applied for any damages that occur. Remaining deposits will be returned at the end of the school year.

CELL PHONES/ELECTRONIC COMMUNICATION DEVICES

Middle school students are to keep their phones in their backpack from the moment they enter the building until they are dismissed into their cars. No cell phone should ever be seen by the teacher. **Unless a teacher has given permission for a specific class activity, students may not have the phone or communication device from the time they enter the building until they are picked up each school day.** Using phones or other electronic communication devices to record in school, as well as posting recordings on social media will result in a suspension.

If cellular phones or other electronic communication devices (including smart watches or other wearables) are brought into the school, they must be turned off. Students must have a lock on their locker. The school is not responsible for lost or stolen phones/electronic devices. Phones/electronic devices used or out of their locker during the school day at any time, will be confiscated. Phones/electronic devices will be returned only to the student's parents or legal guardian at the end of the day.

Students who need to use a phone during the day may ask to use the phone in either the high school or elementary/middle school office.

Parents, as always, should call the school if they need to contact a student during the day.

Parents should not call or text their child's phone during school hours.

Headphones, CD players, IPODS, IPADS, MP3 players, ear buds etc. are not allowed at dismissal time or in school during the day.

Academic Monitoring of Student Progress

PART II CODE OF CONDUCT

PURPOSE AND RESPONSIBILITY FOR CODE OF CONDUCT

The Student Code of Conduct follows the policy given to each student. These are to be read and discussed by students and parents. Each student must return to the homeroom teacher the signed slip indicating parent and student are aware of the policy.

ALL THE RULES AND REGULATIONS APPLY TO STUDENTS AT SCHOOL, ON THE SCHOOL BUS, AND AT ANY SCHOOL EVENT.

A. Purpose

It is the purpose of the “Discipline Code” to help provide an atmosphere that is conducive to an orderly process of education in an environment which provides for the welfare and safety of all who attend. Our primary purpose is to educate, not to discipline. However, when the behavior of individuals conflicts with the rights of others, corrective action is indicated, both for the benefit of the individual and the school as a whole.

B. General Conduct and Standards of Behavior

Students of the AGBU Alex & Marie Manoogian School (hereafter Manoogian School) are expected to be good citizens. Appropriate dress code and standards of behavior reflecting good citizenship are expected. All board policies, administrative procedures, and school rules are established to ensure such standards. All policies, procedures, and rules are applicable in the school, on the school grounds, at school activities, both at and from school (e.g., field trips), at the bus stop, or the school bus. Students and parents will be supplied with copies of the Discipline Code and are expected to read, understand, and comply with the requirements of the Code.

C. Parent Responsibility

Parents are responsible to see that all regularly enrolled students are present at all assigned classes unless illness or family emergency prevents such attendance. Parents should contact the school for prior approval of absence having to do with family travel, appointments, or other urgent matters. Parents are requested to notify the school according to building procedures on days when it is necessary for their children to be absent for illness or family emergency.

Parents are requested to provide the school with pertinent information regarding health disorders, which could affect the student during the school day, influence his/her behavior, or have a long-range effect on the student's educational progress.

The Board expects the parents will work with the school to bring about changes in the behavior of students who violate standards of normal conduct. Parents are expected to cooperate fully with the staff and to discuss the students' disciplinary problem in an appropriate manner.

Parents will be held accountable for financial loss suffered by the Manoogian School and their employees when their children, through malicious or careless conduct, cause damage to the school building, equipment, or personal property.

To ensure student success, parents should, at regular intervals, discuss with their children the importance of obtaining a good education and the necessity for good citizenship. Students with a positive attitude are more likely to have a successful and rewarding school experience.

D. Staff Responsibilities

1. The Board of Directors directs and authorizes the principal or designee to take appropriate action to assure the establishment and administration of procedures necessary to effectively provide for pupil control and discipline within the framework of the Board policies as set forth by state law.
2. The principal or designee shall have the overall responsibility and authority for the orderly administration of discipline policies and procedures in the school within the framework of the Board Policies, administrative procedures, and state law.
3. The teacher's primary responsibility and authority shall be to educate and maintain order and control within the classroom, at school-sponsored events and to take general responsibility and authority for maintaining order on school property.
4. All disciplinary action shall go to the administrative personnel designated by the principal.
5. The principal, or administrative personnel designated by the principal, shall contact parents once the facts have been collected.

E. Student Responsibilities

Students in the school are expected to fulfill the following responsibilities:

1. Participation

Students have the responsibility of participating fully in their learning process. Students must report to school and to all scheduled classes regularly, on time, remain in class until excused, pay attention to instruction, complete assignments to the best of their ability, and request help when needed.

2. Behavior

Students have the responsibility of avoiding any behavior that is detrimental to the achievement of their own or other students' educational goals. Students must cooperate in maintaining reasonable orderliness in the school and in the classroom, take reasonable care of books, technology, and other instructional materials, and encourage a climate where learning is cherished. Most particularly, students must refrain from engaging in behavior that violates the provisions of the Code of Conduct.

3. Respect for Staff

Students have the responsibility of showing respect for the knowledge and the authority of school staff. Students must obey reasonable directions, use only acceptable and courteous language, avoid actions that show contempt, and appeal decisions only through appropriate channels.

4. Respect for Other Students

Students have the responsibility of showing respect for the rights and human dignity of fellow students. For example, students must refrain from name-calling, fighting, harassment, belittling, or engaging in deliberate attempts to embarrass or harm another student.

While all students are expected to fulfill these responsibilities, some may occasionally need guidance and correction. Some students will need more help than others in learning to behave in a responsible, mature manner. It is expected that persistent misbehavior, even when each single instance is a minor infraction of the rules, will be dealt with appropriately, in order to help students avoid establishing a pattern of unacceptable habits.

- F. Students may not endanger or threaten to endanger the safety of others, damage property, or impede the orderly conduct of the school program while at school, at a school-sponsored activity, or on a school bus. In all regards, under Class Offenses, any disciplinary action should take into consideration the best interest of the child.

Although every effort has been made to provide a comprehensive Student Code of Conduct, some unanticipated events will occur. Depending on the circumstances and the severity of a violation, whether covered in this manual or not, the administration may omit any of the intermediary steps and administer an appropriate consequence.

If a student is suspended or absent from school, they may not attend any school-sponsored activity. Based on the number of infractions, a student may be barred from participating in extra-curricular and school activities. Suspended students will have the opportunity to receive homework and return it for evaluation. The grading of work for suspended students is as follows: no credit for classwork; up to 75% credit for homework; and full credit for quizzes and tests taken immediately upon return.

G. Student Rights When Under Interrogation by the Police

The principal is authorized to permit police officers and identified court officials to interview pupils. Students may be searched or arrested when such action is authorized by a warrant or otherwise permitted by law. When considered appropriate, the interview shall be conducted in the presence of the principal or a designee. The principal or designee will inform parents of this questioning and, whenever possible, they may be present.

H. Guidelines for Make-Up Work

1. A student will be given the opportunity to make up academic course work assignments missed during a short-term suspension. A student who remains out of school past the 1-10 days of short-term suspension WILL NOT be allowed to make up work beyond the actual suspension dates. All make-up work must be completed in a timely manner.
2. A student who is charged with an offense that could result in long-term suspension, is entitled to make up work until a decision is reached by the principal.
3. A student charged with a violent act is entitled to make up work until a decision is reached by the principal, (after the school-level suspension meeting) that the student is guilty of a violent act and should be placed in the expulsion track.
4. Students are not entitled to make up academic course work missed during absences due to truancy.

LUNCH REGULATIONS

The appearance of our school reflects how much we, the students and staff, care about AGBU Alex and Marie Manoogian School. A clean, bright, and well-kept school indicates the pride taken in our school. Garbage and litter in and around the school will not be tolerated. The following regulations are to be followed:

1. All food bought and served must be consumed in the designated areas. Students are expected to clear their eating area of all refuse. Lunch areas will be examined each day. **The consumption of any food at lockers or in hallways and classrooms is not permitted (unless students are attending lunchtime class meetings – see below).**
2. Rooms for lunchtime club meetings will be assigned. Food may be taken only to those designated meeting rooms.
3. The delivery of fast food for lunches is not permitted.
4. The sharing of food and beverages between students is prohibited due to allergies.

AGBU ALEX & MARIE MANOOGIAN SCHOOL

Middle School Dress Code

Free Dress Code

Free Dress

On those days where students are permitted free dress, the following rules must be followed:

Shoes: No slides, flip flops, or open toed sandals without back straps.

Girls and boys are permitted to wear shorts that come down to the knees.

Girls may wear leggings with long length tops. Crop tops, or spaghetti strap tops are not allowed. Modesty must always be maintained.

FAILURE TO COMPLY WITH THE DRESS CODE will result in an unexcused absence from the class until the student has proper attire. The student will be sent to the office to call parents and must remain in the lobby until proper clothing is obtained.

ATTENDANCE PHILOSOPHY

Regular school attendance is vital to successful academic growth and demonstrates caring and respect for self and others. It is the intent of the AGBU Manoogian School to provide opportunities for all students to achieve their fullest potential. Each student is an irreplaceable resource, necessary for the interaction that forms an essential part of classroom learning. When absences occur, the educational experience of all students in the class is diminished.

To enhance this educational experience, the following expectations and responsibilities should be emphasized. The major responsibility for acceptable attendance lies with the individual student. However, parents, teachers, counselors, and administrators have the responsibility to assist the student in meeting the goal of acceptable attendance.

Students are expected to be in school and in class every day. They should be fully aware that the interactions that go on in the classroom cannot be duplicated and constitute a valid and critical part of the course work. They should be on time, attentive, and prepared with the proper materials to be actively involved in the class. If a class has to be missed for school activities, the student should give prior notification to the teacher and request assignments.

Parents are expected to notify the school promptly of any absence or circumstances regarding illness or personal and family problems that may have an effect on attendance. Every effort should be made to schedule routine appointments after school hours, and family vacations should be planned during the holidays outlined on the school calendar. Parents should discuss the importance of good attendance with their student and avoid supporting any abuse of the attendance policy.

Teachers are expected to maintain accurate daily attendance records and report them properly to the office. A teacher has the professional responsibility to begin class on time and provide a consistent classroom environment that is a challenging, rewarding, and stimulating experience.

To promote this philosophy and to assist students in developing lifelong responsible attendance patterns, the following regulations will be implemented:

ATTENDANCE REGULATIONS

Parents and students have a responsibility for attendance and are encouraged to schedule medical and dental appointments, personal business, and vacations outside of regular school hours.

Parents should not schedule vacations during school days. While sick days, funerals, weddings, other special circumstances are excused, vacations are not excused. School work might not be given for unexcused absences until their return and will result in a loss of points which can adversely affect grades.

Parents who come to pick up a student before regular dismissal **MUST** come to the school office. The student will then be excused by school personnel. Under no circumstances should a student leave the school building or property during the school day unless first receiving permission from a school authority. Students in violation of this rule are considered truant. Siblings may not excuse siblings on their own; only the office may do this.

1. Daily Excused Absences

Daily excused absences will be granted for such reasons as personal illness, family illness, medical, dental, or legal appointments, religious holidays, and funerals.

For sporting activities, students are expected to be in school the **ENTIRE** game day to participate in the game scheduled for that day.

2. Excusing Absences

Parents must call the office before 8:00 a.m. each day a student is absent. Documentation or other verification may be required to establish an excused absence. Such documentation should be in writing and should be given to the principal. Students who are absent for more than three days due to illness may be required to have a doctor's note to return to school.

3. Students Leaving School Building During the Day

Students leaving the building during the school day must check in and out with the main office. The principal will deal with all emergency circumstances or unique situations.

4. Prearranged Excused Absences

The principal must approve prearranged absences. Parents need to obtain an Extended Absence Request form from the office and submit it in advance. It is the student's responsibility to meet with each teacher to determine how to manage classwork and homework during the absences.

5. Unacceptable Reasons for Absences and Tardiness

Absences and tardies due to vacations, oversleeping, car trouble, skipping, truancy, leaving school without permission, or no specific reason for the absence will be considered unexcused. Extenuating circumstances may be appealed to the principal.

6. Absences for In-School Activities

Absences due to approved participation in school activities, detainment by another teacher or administrator, and approved clinic visits will be considered excused absences.

7. Make-up Work

It is the middle school student's responsibility to approach the teacher to ask for make-up work for excused absences. This must be done a week in advance in cases of prearranged absences. For other excused absences, the student must approach the teacher on the first day the student returns to class. The time allowed for make-up will vary depending on the amount of work to be done, the circumstances of the absence, and the teacher's discretion. Make-up work must be done in a timely manner or will result in a failing grade.

Teachers will provide the student with missing work and necessary instruction. Students are not excused from tests or assignments that are due when they return from an absence if such tests and assignments were known before the student's absence.

8. Attendance Alerts

The school office will notify parents via telephone if a student is absent, and the parent has not notified the school about the absence. The school will notify parents in writing after two unexcused absences from an individual semester class. A conference may be required.

9. Unexcused Absences – Effect on Grade

For any unexcused absence, students have the following opportunities to make up missed work: no credit for classwork; up to 75% credit for homework; and full credit for quizzes and tests taken immediately upon return.

If there are incomplete assignments when report cards are due, the grade remains a zero. Ten or more excused or unexcused absences per semester may result in a failing grade for the course and possible retention.

10. Excessive Excused Absences

Students with excessive excused absences, **10 per semester**, or with repeated patterns of absences, will be referred to a committee for review. Parents will be contacted and may be asked to come in to discuss ways to address this problem. Ten or more excused or unexcused absences per semester may result in a failing grade for the course and possible retention.

11. Suspension Absences

Students are allowed to make up all work or tests for possible credit as a result of an in-or out-of-school suspension. It is the student's responsibility to take the initiative in arranging for make-up work and tests and completing them in a timely manner or will result in a failing grade.

12. First Hour Tardiness

Parents must notify the office by 8:00 a.m. if a student will be tardy to school. Parents will be contacted if there seems to be a pattern of tardiness to first hour. Notifying the office of a tardy does not automatically make it excused. Every three tardies will result in an unexcused absence. Students arriving after 8:30 a.m. will not be allowed in class, will remain in the lobby, and will be marked absent for that hour.

13. Automated Attendance System (Robo Calls)

Any unexcused tardies or absences will trigger a robocall. Parents must call the school by 8 a.m. to prevent such a call.

14. In-School Tardiness, Hours 2 – 6

In hours 2-6, teachers will attempt to deal with tardiness within their classrooms. Repeated offenses may require the student to serve an in-school detention or spend lunchtime in the classroom. Parents will be contacted about repeated problems. Every five tardies will result in detention.

LOCKS AND LOCKERS

Middle school students are assigned lockers in which they may keep their lunch, coats, boots, and school materials. They are responsible for maintaining clean lockers and may not, under any circumstances, keep food in them for more than one day. Damage caused by misuse is charged to the student.

Students **must** purchase combination locks (not key locks) and must always keep their lockers locked. Students are not to bring large amounts of money to school or store other valuables in their lockers. Combinations should be turned into the head teacher for record keeping. The school is not responsible for lost, stolen, or damaged items.

Property assigned to students by the school district remains the property and under the joint control of the school district. Lockers, desks, and other spaces assigned to students are subject to search if the school administration has a reasonable suspicion that the locker, desk, or other space contains materials that are illegal or violate school rules.

Searches of students' school assigned spaces shall be conducted with at least two school staff members present. The school district retains the right to search regardless of whether the student has given consent or is present for the search.

Except in the case of an emergency as described below, students will be permitted to be present when school assigned spaces are searched by school personnel.

The school district retains the right to search in emergency situations, such as a bomb threat or a reasonable suspicion that a weapon or dangerous materials are on the premises. In the event of such a clearly defined emergency, the principal or designee has the right to enter school property assigned to the student. The student should be notified of such action as soon thereafter as possible.

There must be reasonable suspicion to believe that a student is either in possession of an illegal or prohibited article as defined by this policy or applicable laws; or using the locker, desk, or other property in violation of school policy or regulation.

TEXTBOOKS

Students are responsible for textbooks issued to them at the beginning of each course. Teachers record both the textbook number and its condition. Any student damaging or losing a textbook is responsible for paying for repairs or for replacing the textbook. Report cards will be held at the end of the school year until all fines are paid.

ARRIVAL AND DISMISSAL

A separate paper will be sent home detailing arrival and dismissal procedures. Students should not arrive at school before 7:50 a.m. Students are dismissed at 2:55 p.m. Parents arriving before that time to pick up their child should remain in their cars in the parking lot until the students are dismissed from their last hour classes. ***All students must have left the premises by 3:30 p.m. Any student that is in the building after 3:30 p.m. will go to Latchkey.***

Please call the office to give your permission when your child is to be picked up by someone other than yourself.

PARENT PERMISSION FOR TRANSPORTATION CHANGE

Please call the office to give your permission when your child is to be picked up by someone else with someone other than yourself. If the drop off point is any place other than your home address, permission must be given to the office by the parents.

FIELD TRIPS

Field trips, which are part of the curriculum and required, are planned throughout the school year by the classroom teacher or teachers of specific subjects. Permission slips are sent home to obtain parental approval for the student's participation as well as to pay for transportation and other expenses involved.

SPECIAL SCHOOL EVENTS

In instances of special school events, like a dance, students may be allowed to bring an outside guest. The enrolled and guest students must complete the provided Guest Request Form provided by the office. It **must** be submitted back to the office by the designated due date.

CELL PHONE/COMMUNICATION DEVICE USE

Cell phones and other wearable devices such as smart watches, as outlined in the Student Handbook, should NOT be seen from the moment a student leaves their car until the student enters their car at the end of the day. These items may not be kept on the person (in pockets, binders, and so forth). Parents should NOT call their child directly but call the front office instead.

A teacher should NEVER see a cell phone in the hallways or on the front porch at any time.

The following is the consequences when a student fails to follow this rule:

First Offense: The phone is confiscated and turned into the office for safe keeping. The phone is returned to the student when name is called for dismissal.

Second Offense: The phone is confiscated and turned into the office for safe keeping. The phone is returned directly to the parent.

Third Offense: The student may NO LONGER BRING A CELL PHONE INTO THE BUILDING. Failure to follow this rule will result in an In-School or At-Home suspension.

DISCIPLINE GUIDELINES

CLASS I INFRACTIONS

Class 1 Infractions are considered minor offenses. These include, but is not limited to:

1. Minor class disturbances
2. Pass misuse
3. Lateness to class
4. Littering
5. Carelessness in following class rules or school rules
6. Carelessness in following adult directions
7. Pushing, running
8. Inappropriate dress
9. Violation of general classroom rules
10. Minor lunchroom/recess misbehavior

The administration reserves the right to override any Class 1 Infraction to a different Class Infraction depending on the severity of the offense.

The accumulated number of offenses are based on the student's behavior, not in an individual classroom.

Consequence Process for 6th and 7th Grades

Teacher has given student ample opportunities to change behavior within classroom through reminders and one-on-one conversation.

Offenses 1 & 2: Parents are emailed regarding the continuous misbehavior.

Offenses 3 & 4: Student receives a **Detention**. Student will meet with principal, school counselor and/or head teacher to discuss behavior. Parental notification is made outlining future consequences.

Offenses 5: Detention

The next write up will result in a Detention. Students will be notified of the date of detention which will take place during lunch/recess period.

Offenses 6: Next offense results in either an In-School Suspension or At-Home Suspension.

The above sequence is a general outline of consequences. Depending on the circumstances, the principal has the right to modify the offense level, class level, or the consequence sequence.

At any time, a student might be excluded from field trips or school activity based on his/her behavior.

Consequence Process for 8th Grade

Teacher has given student ample opportunities to change behavior within classroom through reminders and one-on-one conversation. Continual misbehavior will result in a detention. Student and Parent will be notified of the date of the lunch-recess detention.

Some misbehavior may result in a referral. A meeting with the school counselor, principal, or head teacher may be required. Referrals are handled as follows:

Referrals 1 & 2: Detention

Referral 3: Depending on circumstances, an in-school suspension or a detention will be issued.

Referrals 4 & 5: Two-day suspension

Referral 6, 7 & 8: Three-day suspension

Referral 9: Five-day suspension

Referral 10: Seven-day suspension

Referral 11: Ten-day suspension

Referral 12: long-term suspension

CLASS II and CLASS III INFRACTIONS

Please see Code of Conduct near the beginning of this handbook.

EIGHTH GRADE DISCIPLINE GUIDELINES CLASS I INFRACTIONS

Eight grade students are held to a standard that more closely reflects high school expectations and is based on guidance received in sixth and seventh grade. The following information informs and advises students and parents of administrative action that will be taken due to any violations.

STUDENT GRADE LEVEL STATUS POLICY

Student progress through the high school program is based on the satisfactory completion of courses and the earning of units of credit. Accordingly, grade level designation is based on units of credit earned and not on semesters or years of attendance.

Grade level status is defined as follows:

1. A student is considered a freshman after successfully completing the eighth grade.
2. A student is considered a sophomore after earning six units of credit.
3. A student is considered a junior after earning twelve units of credit.
4. A student is considered a senior after earning eighteen units of credit.
5. A graduate of the AGBU Manoogian School must have earned twenty-four units of credit.

DEFINITION OF CREDIT

One-half credit is awarded for each semester of course work completed with a grade of D- or better.

MAKING UP FAILED COURSES

1. Any student who has failed a class with a grade lower than a D- will not receive credit for that semester and will need to make up that credit through an authorized program at the student's own expense and time. Authorized programs (summer courses, correspondence courses, and/or on-line courses) must be successfully completed and preapproved. Students may be required to take a Manoogian placement tests following such courses to ensure success in future courses.
2. All work must be completed, and all documentation received at the school before the classification will be changed (this may take several weeks).
3. Seniors may participate in a graduation ceremony provided they are only one class short and have a concrete plan to finish it. A diploma cannot be issued until all required credits are completed.
4. Students may not have more than six failed courses on their record, regardless of whether they have been made up with correspondence courses, on-line courses, adult ed, or summer school. They will have to repeat a grade if they wish to remain at the AGBU Manoogian School.
5. The administration reserves the right to make alternate arrangements in special circumstances.

REPEATED FAILURES

1. A student who has failed half or more of his/her academic work for a year will be retained.
2. If the student repeats the grade and again fails to pass his/her classes, the student, parents, counselor, and principal will meet to consider other programs which may better meet that student's needs.

TESTING OUT

A student can receive credit in a course if he/she exhibits a reasonable level of mastery of the subject matter by attaining a grade of not less than C+ (78%) in a final exam, or if there is no final exam, by exhibiting that mastery through the assessment used in the course. Credit earned in this manner is based on a "pass" grade and is not included in a computation of grade point average for any purpose. Once credit is earned under this section, a pupil may not receive credit thereafter for a course lower in course sequence in the same subject area.

PERSONAL CURRICULUM

In some cases, students may be able to waive certain courses which are a part of the standard curriculum and replace those courses with others. Please make an appointment to speak with the counselor if you want further information about developing a personal curriculum for a student.

MICHIGAN MERIT CURRICULUM

The Manoogian School's courses are designed to meet the Michigan Merit Curriculum. Parents have the right to request a personal curriculum for their child. The parent must contact the counselor who will explain the procedure.

DUAL ENROLLMENT

Students having a cumulative 3.5 grade-point average at the end of their sophomore year may be eligible to participate in the Dual Enrollment program at Oakland Community College, Macomb Community College, Central Michigan University, and/or Lawrence Technological University during their junior and senior years. This program provides academically successful high school students the opportunity to be dually enrolled in both high school and college coursework.

Students are encouraged to enroll in courses outside of normal school hours. Typically, students begin by enrolling in a course at Oakland Community College prior to taking courses at Lawrence Technological University. Students are responsible for maintaining all AGBU coursework requirements, as well as arranging transportation to and from their dual enrollment classes.

The school will cover tuition costs for one (1) three-credit college course per semester. Students and families are responsible for all additional expenses, including textbooks, materials, and any associated course fees.

AP/HONORS LEVEL COURSES

Students enrolled in AP/Honors courses may be removed from these courses at the semester if their grade falls below a C-. This is out of concern for the student's long term academic success ensuring a timely graduation.

OAKLAND SCHOOLS TECHNICAL CAMPUS

Students in grades 11 and 12 may attend vocational education courses at the Oakland Technical Center. Students can earn 1.5 credits a semester in several vocational fields while using state-of-the-art equipment. Students take their core courses here in the morning and attend the Oakland Schools Technical Campus in the afternoon for their vocational training. Transportation from the AGBU Manoogian School to the Oakland Technical Center is the student's responsibility.

COMMUNITY SERVICE

All High School students must complete community service hours as a condition of graduation. Students must complete 10 hours of community service for every year enrolled at AGBU. Examples of community service include church organizations, non-profit organizations, schools, libraries, nursing homes or hospitals.

It is the student's responsibility to obtain accurate documentation of their community service hours and submit those hours to the school counselor.

Upon High School graduation, the student who has completed the most community service hours in their class will receive special recognition.

ATHLETIC COMPETITIONS

Students competing on a school-sponsored team must meet the eligibility requirements of the Michigan High School Athletic Association.

BACKPACKS, BAGS AND PURSES

Students are expected to store all backpacks, bags and purses in their locker during class. They can retrieve any required materials for class during passing time.

RESTROOMS

High school students are expected to use the bathrooms in High School. **They may not use the Middle School restroom.**

GRADING SYSTEM AND REPORT CARDS

Parents and students need to obtain a password from the high school office which will allow them to check grades on the Skyward grading system. Progress reports are available on Skyward halfway through each quarter, and report cards are posted at the end of each quarter. Please check your child's progress regularly.

Citizenship Scores: Citizenship in the classroom means being respectful, responsible and an active member of the school community, someone who follows classroom and school rules, contributes positively and shows care for the well-being of others. Students are considered at a “2” to start each semester. This score is adjusted based on the student demonstrating the above traits throughout the semester.

ADMINISTRATOR’S LIST AND HONOR ROLL

These Academic Achievements are based on grades in all subjects. Students, who maintain a Grade Point Average (GPA) between 3.5 and 4.0 and have no grade that is a ‘C’ (2.0) or below qualify for the Administrator’s List and those with a GPA between 3.0 and 3.49 and no grade that is a ‘C’- (1.67) or below qualify for the Honor Roll. Academic Achievement awards will be determined at the end of each semester. Cumulative GPA is used during Senior year.

ACHIEVEMENT AWARDS

At the end of each school year, special recognition may be given to students by individual teachers for specific and unique classroom achievements. Other achievement awards may be given.

STEAM CENTER

The STEAM Center contains computers, hand tools, and power tools, and it is used for Elementary through High School Robotics, automotive building, Graphic Design, and as an alternative testing center. Students may use the STEAM Center only when a teacher or designated adult is present. Students are responsible for cleaning and organizing the STEAM Center under adult supervision. Lost or damaged tools and materials must be replaced by the student. Report cards will be held until all fines have been paid.

GRADUATION CEREMONY PARTICIPATION

Seniors in the state of Michigan can be denied participation in graduation ceremonies for inappropriate conduct. The school is legally required to issue an earned diploma if academic requirements are met. The commencement ceremony is legally classified as an extracurricular privilege and can be revoked.

In accordance with due process, students and parents or guardians will receive a written notice of the charges of inappropriate behavior within five (5) days. A meeting will be held with student and parents or guardians to explain their side of the situation before discipline is enacted.

CELL PHONES AND ELECTRONIC COMMUNICATION DEVICES

Cell Phones/Electronic Communication Devices

Students **must** store cellular phones, smart watches (rings, glasses, etc.), headphones, and earbuds or other electronic communication devices in their locker during class time. **Students may use phones during lunchtime.**

Students may use laptops with the teacher's permission. Headphones and earbuds are not allowed, including during passing period. Students may use them during lunch or during specific preapproved times. The school is not responsible for lost or stolen phones/electronic devices.

High School Electronic Device Storage Policy Violation Form details progression of consequences for violating this policy for students who are seen using a cell phone or other electronic devices outside of designated times. See attached form at the end of the handbook.

Students who need to use a phone during the day may ask to use the phone in the high school office. Parents, as always, should call the high school office if they need to contact a student during the day. Parents should not call or text their child's phone during school hours.

Students are not allowed to audio or video record, take pictures of themselves or other students, teachers, and staff while at school, at a school-sponsored activities, or on a school bus. In the State of Michigan, it is illegal to knowingly disseminate materials obtained in violation of Michigan's audio and video recording laws. Therefore, the use of cell phones to take pictures or audio/video recordings will result in a suspension. Posting of any of these on social media will also result in a suspension.

ACCESS TO SCHOOL PRINTER

Students do not have access to a school printer. Students wishing to save information should use a flash drive, or their school-provided online Cloud space. Papers may be printed at home and brought in or printed for a small fee in the high school office.

GUIDELINES FOR ACADEMIC COMMITTEE

The Academic Committee, composed of three teachers, the school Counselor, and the High School Head Teacher, may be called on to investigate and address serious academic concerns where the student's performance puts them in danger of losing academic status or of failing to meet graduation requirements; the Committee may be notified by the teacher at any time, or by the Counselor at the five-week card marking. The Committee will work with the students and may propose recommendations or create a plan with parents and the principal to recover the students' academic progress.

AGBU ALEX & MARIE MANOOGIAN SCHOOL**Academic Monitoring of Student Progress**

AGBU ALEX & MARIE MANOOGIAN SCHOOL**Academic Monitoring of Student Progress**

PART II CODE OF CONDUCT

PURPOSE AND RESPONSIBILITY FOR CODE OF CONDUCT

The Student Code of Conduct outlines the policies governing students and school functions. These are to be read and discussed by all students and parents. Each student must return to the high school office the signed slip indicating parent and student are aware of the policies.

ALL THE RULES AND REGULATIONS OUTLINED HEREIN APPLY TO STUDENTS AT SCHOOL, ON THE SCHOOL BUS, AND ANY SCHOOL SPONSORED EVENTS.

A. Purpose

It is the purpose of the Code of Conduct and the Discipline Code to help provide an atmosphere that is conducive to an orderly process of education in an environment which provides for the welfare and safety of all who attend. Our primary purpose is to educate, not to discipline. However, when the behavior of individuals conflicts with the rights of others, corrective action is indicated, both for the benefit of the individual and the whole school.

B. General Conduct and Standards of Behavior

Students of the AGBU Alex & Marie Manoogian School (hereafter Manoogian School) are expected to be good citizens. Appropriate dress code and standards of behavior reflecting good citizenship are expected. All Board policies, administrative procedures, and school rules are established to ensure such standards. All policies, procedures, and rules are applicable in the school, on the school grounds, at school sponsored activities, both at and from school (e.g., field trips), at the bus stop or on the school bus. Students and parents will be supplied with copies of the Discipline Code and are expected to read, understand, and comply with the requirements of the Code.

C. Parent Responsibility

Parents are responsible to see that all regularly enrolled students are present at all assigned classes unless illness or family emergency prevents such attendance. Parents should contact the school for prior approval of absence having to do with family travel, appointments, or other urgent matters. Parents are requested to notify the school according to building procedures on days when it is necessary for their children to be absent for illness or family emergency.

Parents are requested to provide the school with pertinent information regarding health disorders which could affect the student during the school day, influence his/her behavior, or have a long-range effect on the student's educational progress.

The Board expects the parents will work with the school to bring about changes in the behavior of students who violate standards of normal conduct. Parents are expected to cooperate fully with the staff and to discuss the student's disciplinary problem in an appropriate manner.

Parents will be held accountable for financial loss suffered by the Manoogian School and their employees when their children, through malicious or careless conduct, cause damage to the school building, equipment, or personal property.

To ensure student success, parents should, at regular intervals, discuss with their children the importance of obtaining a good education and the necessity for good citizenship. Students with a positive attitude are more likely to have a successful and rewarding school experience.

D. Staff Responsibilities

- The Board of Directors directs and authorizes the principal or designee to take appropriate action to assure the establishment and administration of procedures necessary to effectively provide for pupil control and discipline within the framework of the Board policies as set forth by state law.
- The principal or designee shall have the overall responsibility and authority for the orderly administration of discipline policies and procedures in the school within the framework of the Board Policies, administrative procedures, and state law.
- The teacher's primary responsibility and authority shall be to educate and maintain order and control within the classroom, at school sponsored events, to take general responsibility and authority for maintaining order on school property.
- All disciplinary action shall go to the administrative personnel designated by the principal.

E. Student Responsibilities

- Students have the responsibility of participating fully in their learning process. Students must report to school and to all scheduled classes regularly and on-time, remain in class until excused, pay attention to instruction, complete assignments to the best of their ability, and request help when needed.
- Students have the responsibility of avoiding any behavior that is detrimental to the achievement of their own or other students' educational goals. Students must cooperate in maintaining reasonable orderliness in the school and in the classroom, take reasonable care of books, technology, and other instructional materials, and encourage a climate where learning is cherished. Most particularly, students must refrain from engaging in behavior that violates the provisions of the Code of Conduct.
- Students have the responsibility of showing respect for the knowledge and the authority of school staff. Students must obey reasonable directions, use only acceptable and courteous language, avoid actions that show contempt, and appeal decisions only through appropriate channels.
- Students have the responsibility of showing respect for the rights and human dignity of fellow students. For example, students must refrain from name-calling, fighting, harassment, belittling, or engaging in deliberate attempts to embarrass or harm another student.

While all students are expected to fulfill these responsibilities, some may occasionally need guidance and correction. Some students will need more help than others in learning to behave in a responsible, mature manner. It is expected that persistent misbehavior, even when each single instance is a minor

infraction of the rules, will be dealt with appropriately, in order to help students avoid establishing a pattern of unacceptable habits.

F. Expectations of a Safe and Sound Learning Environment

School students may not endanger or threaten to endanger the safety of others, damage property, or impede the orderly conduct of the school program while at school, at a school-sponsored activities, or on a school bus. In all regards under Class Offenses, any disciplinary action should be taken in consideration of the best interest of the child.

Although every effort has been made to provide a comprehensive Student Code of Conduct, some unanticipated events will occur. Depending on the circumstances and the severity of a violation, whether covered in this manual or not, the administration may omit any of the intermediary steps and administer an appropriate consequence.

If a student is suspended or absent from school, they may not attend any school-sponsored activities or function that day. Based on the number of infractions, a student may be barred from participating in extra-curricular and school activities. Suspended students will have the opportunity to receive homework and return it for evaluation.

G. Student Rights When Under Interrogation by the Police

The principal is authorized to permit police officers and identified court official to interview pupils. Students may be searched or arrested when such action is authorized by a warrant or otherwise permitted by law. When considered appropriate, the interview shall be conducted in the presence of the principal or a designee. The principal or designee will inform parents of this questioning and, whenever possible, they may be present.

H. Guidelines for Make-Up Work

- A student will be given the opportunity to make up academic course work assignments missed during a suspension. A student who remains out of school past the 1-10 days of short-term suspension WILL NOT be allowed to make up work beyond the actual suspension dates. All make-up work must be completed in a timely manner.
- A student who is charged with an offense which could result in long-term suspension, is entitled to make up work until a decision is reached. After the school-level suspension hearing, the student may be recommended for long-term suspension.
- A student charged with a violent act is entitled to make up work until a decision is reached by the principal, (after the school-level suspension hearing) that the student is guilty of a violent act and should be placed on the expulsion track.
- Students are not entitled to make up academic course work missed during absences due to truancy.

HIGH SCHOOL DRESS CODE FOR ALL STUDENTS

Shirts

Students are required to wear a plain white shirt with the official school logo at all times. This shirt must be worn even when layered under sweaters, sweatshirts, or other outer garments.

Slacks

Navy trousers, only.

They must fit properly; no baggy pants or pants worn below hips, no sweatpants, no yoga/athletic pants, no cargo/industrial pants, joggers, and no jeans.

On Friday students may wear official class color attire; anything that is not official class sweats, official team jerseys, or official club sweaters or T-shirts, must be uniform attire. Students must be an active members of the club. Substitute colors or attire will be considered out of dress code and subject to disciplinary action.

Modesty must be maintained at all times; undergarments cannot be visible at any point.

Personal appearance and grooming that continuously distracts from the learning environment for the individual or other students will be subject to administrative review and approval.

Students out of dress code will be asked to change their attire and may be issued a detention.

Parents will be contacted to come correct the violation. Repeat offenses may incur additional disciplinary action, including in-school suspension and parent conferences.

Men and Women's Gym Clothes

Men may wear *plain black or navy sweats or knee length shorts.

Women may wear *plain black or navy sweats, knee-length shorts, or plain black or navy leggings.

Both men and women must wear rubber-soled tennis shoes and *plain white T-shirts

*Plain means no words, symbols, or images.

GUIDELINES FOR DISCIPLINE COMMITTEE

The Discipline Committee, composed of three teachers with the High School Head Teacher, may be called on at the request of a teacher or the principal to investigate and address behavior concerns. Members of the Committee, along with the school Counselor, will meet with students whose behavior persistently or egregiously violates the Code of Conduct, and will make recommendations to the principal regarding disciplinary action and/or involvement in school activities. In addition, the Committee may consider the criteria for allowing a student to participate in school activities, including fundraising, class activities, field trips, or extended trips.

ATTENDANCE PHILOSOPHY

Regular school attendance is vital to successful academic growth and demonstrates caring and respect for self and others. It is the intent of the AGBU Manoogian School to provide opportunities for all students to achieve their fullest potential. Each student is an irreplaceable resource, necessary for the interaction that forms an essential part of classroom learning. When absences occur, the educational experience of all students in the class is diminished.

In order to enhance this educational experience, the following expectations and responsibilities should be emphasized. The major responsibility for acceptable attendance lies with the individual student. However, parents, teachers, counselors, and administrators have the responsibility to assist the student in meeting the goal of acceptable attendance.

Students are expected to be in school and in class every day. They should be fully aware that the interactions that go on in the classroom cannot be duplicated and constitute a valid and critical part of the course work. They should be on time, attentive, and prepared with the proper materials to be actively involved in the class. If a class has to be missed for school activities, the student should give prior notification to the teacher and request assignments.

Parents are expected to notify the school promptly of any absence or circumstances regarding illness or personal and family problems that may have an effect on attendance. Every effort should be made to schedule routine appointments after school hours, and family vacations should be planned during the holidays outlined on the school calendar. Parents should discuss the importance of good attendance with their student and avoid supporting any abuse of the attendance policy.

Teachers are expected to maintain accurate daily attendance records and report them properly to the office. A teacher has the professional responsibility to begin class on time and provide a consistent classroom environment that is a challenging, rewarding, and stimulating experience.

To promote this philosophy and to assist students in developing lifelong responsible attendance patterns, the following regulations will be implemented:

ATTENDANCE REGULATIONS

Parents and students have a responsibility for attendance and are encouraged to schedule medical and dental appointments, personal business, and vacations outside of regular school hours.

Parents should not schedule vacations during school days. While sick days and funerals may be excused, vacations are not excused. School work will be given for unexcused absences only at the teacher's discretion. Unexcused absences can adversely affect grades.

Parents who come to pick up a student before regular dismissal MUST come to the high school office. The student will then be excused by school personnel. Under no circumstances should a student leave the school building or property during the school day unless first receiving permission from a school authority. Students in violation of this rule are considered truant.

1. **Daily Excused Absences**

Daily excused absences will be granted for such reasons as personal illness, family illness, medical, dental, or legal appointments, religious holidays, and funerals. Please note that even though students will be able to make up class work with an excused absence, absences must be kept to a minimum.

2. **Excusing Absences**

Parents must call the office before 8:30 a.m. each day a student is absent. After 3 sick days, documentation or other verification (e.g., doctors note) is required to establish an excused absence. Such documentation should be in writing and should be given to the principal. If the high school office is not notified by a parent by 8:30 a.m. on the day of the absence, the absence will not be excused.

3. **Students Leaving School Building During the Day**

Students leaving the building during the school day must check in and out with the High School office. The principal will deal with all emergency circumstances or unique situations.

4. **Prearranged Excused Absences**

The principal must approve pre-arranged absences. Parents/students need to obtain an Extended Absence Request form from the high school office and submit it 2 weeks in advance. It is the student's responsibility to meet with each teacher to determine how to manage class work and homework during the absence.

5. **Unacceptable Reasons for Absences and Tardiness**

Absence or tardiness due to vacations, oversleeping, car trouble, skipping, truancy, leaving school without permission, or no specific reason for the absence will be considered unexcused. Extenuating circumstances may be appealed to the principal.

6. **Absences for In-School Activities**

Absences due to approved participation in school activities, detainment by another teacher or administrator, and approved clinic visits will be considered excused absences.

7. **Make-up Work**

It is the high school student's responsibility to approach the teacher to ask for make-up work for excused absences. This must be done a week in advance in cases of pre-arranged absences. For other excused absences, the student must approach the teacher on the first day the student returns to class. The time allowed for make-up will vary depending on the amount of work to be done, the circumstances of the absence, and the teacher's discretion. Make-up work must be done in a timely manner.

Students are not excused from tests or assignments that are due when they return from an absence if such tests and assignments were known **before** the student's absence.

8. **Attendance Alerts**

The school office will notify parents if there is a pattern of unexcused absences or if there is reason to believe a student is deliberately skipping class.

9. **Unexcused Absences – Effect on Grade**

For any unexcused absence, students may receive a maximum of 75% on completed academic work occurring during the absence.

10. **Excessive Excused Absences and Truancy**

Students with excessive excused absences, 10 per semester, or with repeated patterns of absences (truancy), will be referred to the counselor. Parents will be contacted and may be asked to come in to discuss ways to address this problem. Even with an excused absence, students may not be able to make up work done in class.

11. **Suspension Absences**

Students are allowed to make up work or tests for credit missed as a result of any suspension. It is the high school student's responsibility to take the initiative in arranging for make-up work and tests and completing them in a timely manner.

12. **First Hour Tardiness**

Parents must notify the office by 8:00 a.m. if a student will be tardy to school. A student who arrives 20 minutes or more late to class will be marked unexcused absent for that class. In such cases, the student may be required to report to the high school office and wait until second hour rather than enter the first hour class if the teacher determines that entry would be disruptive. Students are responsible for all missed work, and the absence will be considered unexcused.

Occasionally, staff will conduct surprise hallway sweeps at 8:00 a.m. for any students lingering in the hallways or arriving late to first hour classes. Students found in the hallways during these sweeps will be issued detentions for tardiness.

13. **Automated Attendance/Academic System (Robo-calls)**

Any unexcused tardies or absences will trigger a robo-call. Parents must call the school by 8:00 am to prevent such a call. Also, parents will receive a daily automatic notification for missing work and low grades.

14. In-School Tardiness, Hours 1– 6

During hours 1-6, teachers will address with tardiness within their classrooms. Students who arrive to class late will be excused only if there is a pass from an appropriate staff member. Repeated offenses may require the student to serve an in-school detention or spend lunchtime in the classroom. Parents will be contacted for repeated problems. Possible disciplinary action for repeat tardies include:

- 5+ tardies: Detention
- 10+ tardies: Detention + phone call home
- 15+ tardies: Detention + parent meeting

Additionally, unannounced hallway sweeps may be conducted at any point throughout the day. Students found lingering in the hallways or arriving late to class during these sweeps will be issued detentions for tardiness.

LUNCH REGULATIONS

The appearance of our school is a reflection of how much we, the students and staff, care about AGBU Alex and Marie Manoogian School. A clean, bright, and well-kept school indicates the pride taken in our school. Garbage and litter in and around the school will not be tolerated. The following regulations are to be followed:

1. All food bought and served must be consumed in designated areas. Students are expected to clear their eating area of all garbage. Lunch areas will be examined each day. No food may be eaten in the classrooms, at lockers, in hallways, on the atrium couches.
2. Outside food delivery is not permitted.
3. Gum is never permitted in school.
4. The sharing of food between students is prohibited due to allergies.
5. As required by the Board of Education policy, high school students are not allowed to leave school property for lunch except with permission of head teacher or principal.

LOCKS AND LOCKERS

High school students are assigned lockers in which they may keep their backpack, bag, purse, cell phone, smart watch, lunch, coats, boots, and school materials. They are responsible for maintaining clean lockers and may not, under any circumstances, keep food in them for more than one day. Damage caused by misuse is charged to the student. Students may not share lockers.

Students are required to purchase locks and must keep their lockers locked at all times. Students are not to bring large amounts of money to school or store other valuables in their lockers. The school is not responsible for any lost, stolen, or damaged items, including school property assigned to student use.

Property assigned to students by the school district remains the property and under the joint control of the school district. Lockers, desks, and other spaces assigned to students are subject to search if the school administration has a reasonable suspicion that the locker, desk, or other space contains materials that are illegal or violate school rules.

TEXTBOOKS

Students are responsible for textbooks issued to them at the beginning of each course. Teachers record both the textbook number and its condition. Any student damaging or losing a textbook is responsible for paying for repairs or for replacing the textbook. Report cards will be held at the end of the school year until all fines are paid. Some academic resources may be available online; in those cases, students will obtain online access information from their teachers.

Some English, math, science, and social studies texts can be accessed online. Students will receive their access codes from their classroom teachers.

ARRIVAL AND DISMISSAL

Students should be at school by 7:55 A.M. First hour begins promptly at 8:00 A.M. High School students should not arrive at school before 7:30 A.M. Students are dismissed at 2:55 P.M. Parents arriving before that time to pick up their child should remain in their cars in the parking lot until the students are dismissed from their last hour classes. ***All high school students not participating in extracurricular activities must leave the campus by 3:30 p.m. If high school students need to remain on campus after 3:30 p.m. and no later than 4:30 p.m., they must remain in a designated high school area with a supervised adult.***

STUDENT DRIVERS

Driving on campus is a privilege for high school students. All students who drive to Manoogian School complex must drive responsibly. Student drivers must comply with all Michigan motor vehicle laws and policies of the school while operating a motor vehicle on school grounds.

All student drivers in possession of a valid Driver's License must register their cars in the High School office during the first week of the fall semester. New drivers will register their automobile in the High School office prior to, or on the first day they drive to school.

At no time may elementary or middle school students ride with a high school driver without expressed written consent by the elementary or middle school student's parents or guardian.

Students who have a valid driver's license from the state of Michigan and who have their parent's written approval to drive cars to and from school may apply to the school office to get listed as a student driver. Forms are available in the high school office, to be submitted for approval prior to student driving. Medical coverage must be included in insurance if passengers are carried.

PARENTS' PERMISSION FOR TRANSPORTATION CHANGE

Parents must call the high school office to give their permission when their child is to be picked up by someone other than a parent or legal guardian.

REVOKING PRIVILEGES

Students who drive recklessly, carelessly, or endanger individuals in the parking lot or on the complex of the church, veterans building or school will instantly be denied their driving privileges to the complex of the Manoogian School.

FIELD TRIPS

Field trips are planned throughout the school year by the classroom teacher or teachers of specific subjects. Permission slips are sent home to obtain parental approval for the students' participation as well as provide information about transportation and other expenses involved. If a student does not participate in the trip, the student must be in school or receive an unexcused absence. Students with failing grades, serious referral on record, or multiple referrals may not be allowed to go on field trips, including major trips to other cities and to Armenia.

SPECIAL SCHOOL EVENTS

In instances of special school events, like a dance, students may be allowed to bring an outside guest. The enrolled and guest students must complete the provided Guest Request Form provided by the office. It **must** be submitted back to the office by the designated due date.

Manoogian School STEAM Certificate

Course Requirements: Students must complete one course in each of the following five STEAM fields before graduation in order to qualify for a Manoogian School STEAM Certificate,

Science (full year)

- AP Biology
- PLTW Human Body Systems
- Organic Chemistry

Technology (full year)

- PLTW Computer Science
- Robotics (or after school 2-3 days a week for the year including all competitions)

Engineering (full year)

- Automotive Engineering
- Engineering Design
- Other courses approved by the principal.

Arts

- Film
- Graphic Design
- Yearbook
- Speech
- Art Elective, 10-12th grades

Math (full year)

- Precalculus
- Calculus

Eligibility Criteria: Students who meet these course requirements during their high school years and maintain a cumulative GPA of 3.0 or higher will be awarded the AGBU Manoogian STEAM Certificate upon graduation.

Benefits:

- **Academic Rigor:** Enrolling in these challenging courses, especially the electives, requires significantly more effort compared to less academic or less advanced courses. We aim to acknowledge and reward this dedication.
- **Preparation for the Future:** Many parents feel that their children need to attend a large high school to be well-prepared for their future. We assure that you can graduate with substantial technical skills, ready for both technical training programs and college admission.
- **STEM Employment Demand:** The demand for skilled workers in STEM fields continues to grow exponentially. Our goal is to set you on a path that will prepare you to meet the needs of the future workforce.
